Speed Stacking

It's that time of year again to SpeedStack. For those of you not familiar, SpeedStacking is an activity in which you upstack and downstack cups. It is a great activity to engage both sides of your brain. It helps with hand-eye coordination, dexterity, concentration, sequencing and reaction time. I will again be arranging for a group order for anyone interested in purchasing the stacking cups. They will no longer be available in retail stores! We will be placing an order online in which you will order yourself and pay with a credit card. The orders will arrive before Christmas break. Order information will go out next week. Please see me if you have any questions.

Our first meeting for this year will be on Thursday, November 13th. We will meet in Sunflower Hall at 5:00. I hope you can join us.

ASCS RECYCLING PROGRAM

Recycle your newspaper, junk mail and other paper to benefit your school and the environment. A special green and yellow dumpster is on the back road. No cardboard or phone books, please!

ASCS accepts used cell phones, pagers, ink cartridges and laser cartridges for recycling. Office Max gives the school store credit for each item recycled. The collection bin is next to the student store.

Don't forget ASCS saves General Mills "Box Tops for Education," Campbell Soup UPC Codes and Wright's IGA receipts. Please deposit items in the collection bins in the school atrium.

Attention Homeland Shoppers! Make sure your Homeland "One Card" is linked to All Saints. Log-on to:
